How many roads must a man walk down,  
before you can call him a man?  
Yes 'n' how many seas must a white dove sail,  
before she can sleep in the sand?  
Yes 'n' how many times must the cannon ball fly,  
before they forever are banned?

Refrain

The answer, my friend, is blowin in the wind,  
the answer is blowin in the wind.

How many times must a man look up,  
before he can see the sky?  
Yes 'n' how many ears must one man have,  
before he can hear people cry?  
Yes 'n' how many deaths will it take till he knows that too many people have died?

Refrain

How many years can a mountain exist,  
before it is washed to the sea?  
Yes 'n' how many years can some people exist,  
before they're allowed to be free?  
Yes 'n' how many times can a man turn his head  
and pretend that he just doesn't see?
