### **Tha simanoun oi kampanes**

Me tosa fylla sou gnefei o ilios kalimera,  
me tosa flampoura lampei, lampei o ouranos  
kai toutoi mes sta sidera kai keinoi mes sto choma  
kai toutoi mes sta sidera kai keinoi mes sto choma.

Sopa opou na' nai tha simanoun oi kampanes.  
Afto to choma einai diko tous kai diko mas.

Kato ap' to choma  
mes sta stavromena cheria tous,  
kratane tis kampanas to skoini  
prosmenoune tin ora,  
prosmenoun na simanoun tin anastasi.

Touto to choma einai diko tous kai diko mas,  
den mporei kaneis na mas to parei.

Sopa opou na' nai tha simanoun oi kampanes.  
Afto to choma einai diko tous kai diko mas.

### **The bells will signal**

With so many leaves the sun waves to you for good morning,  
with so many flags, the sky is shining.  
The ones are imprisoned and the others are into the ground  
the ones are imprisoned and the others are into the ground.

Be quiet, very soon the bells will signal.  
This land belongs to them and to us.

Under the ground  
in their crossed hands  
they hold the bell's rope  
waiting for the time  
waiting to signal the resurrection.

This land belongs to them and to us  
and no one can take it from us.  
Be quiet, very soon the bells will signal.  
This land belongs to them and to us.
