### **Erotiko**

Tha ftiaxo enan kipo magiko  
gia na poulao iliachtides kai giogio  
kai peftasteria.

Tha ftiaxo ena kioski exotiko  
gia na poulao feggaraides kai lotos  
ta kalokairia.

An thes mazi mou ela ki esy  
dyo peirates s' ena nisi  
s' ena nisi ton thisavron  
kai Krousos ma kai Rovinson.

Tha ftiaxo ena kipo exotiko  
gia na charizo enan ilio tropiko  
kai mia ventalia.

Tha ftiaxo ena kioski exotiko  
gia na charizo tis agapis to chymo  
kai matogyalia...

### **Love song**

I'll make a magical garden  
in order to sell sunbeams and yoyos  
and shooting stars.

I'll make an exotic kiosk  
in order to sell moonlights and lotuses  
during summers.

Come with me if you want to  
two pirates on one island  
on an island full of treasures  
like Crusoe and Robinson.

I'll make an exotic garden  
in order to offer a tropical sun  
and a fan.

I'll make an exotic kiosk  
in order to offer the nectar of love  
and spectacles...
