The penguin

Hey, It's Edwin the penguin
it's Edwin the penguin
it's Edwin the penguin
from Antarctica!

His belly is white,
his feathers are black,
his step is slow,
he's a real puzzle.

He cannot neither walk,
nor talk.

Yummy fat sardines
he eats as if they're candies
he picks them with his beak
and flap his wings.

Even if he stamps his feet
he still cannot speak.
