### **A brown bear (The Brown Color)**

A brown bear, a brown bear  
is running carrying a wooden sideboard.  
Hey, brown bear, brown bear  
where do you go with the wooden sideboard?

I'm taking it to Thebes  
to my earthen cabin  
that has in every skylight  
a nest with one sparrow,  
and has instead of tiles  
shells of hazelnuts  
and dry walnuts.

A brown bear, a brown bear  
is running carrying a wooden sideboard.  
Hey, brown bear, brown bear  
what will you put into the wooden sideboard?

I will put a grilled steak,  
lentil soup in a pot.  
A cup of foamed coffee  
and a big chocolate bar  
and I'll lie on my own  
next to the sideboard to spend the winter

.A brown bear, a brown bear  
is running carrying a wooden sideboard.  
Hey, brown bear, brown bear  
run, run, run with the wooden sideboard.
